FLY OVER

805th Navion Quadtone

All our fortunes are tied to those who fight for our freedoms.

Year after year, families who have lost their veteran hero, continue to support the Avenue of Flags with a donation of their cherished casket flag. Proudly flown, we pay tribute on Veterans Day & Memorial Day. Displayed throughout the cemetery, red white & blue we salute you and all you represent. The flags you see on display this Memorial Day are representative of the names listed below. As they once draped their caskets, they now wave in the wind in their memory.
