

2021 Update to Rules and Regulations Decoration Policy

Ivy Lawn Memorial Park and Funeral Home

Ivy Lawn Memorial Park & Funeral Home has made the difficult decision to amend our Decorations Policy as set forth below to ensure the safety of our staff and all visitors at all times. This change is a result of the growing number of incidents during which the safety of our staff was threatened.

On the bright side, decoration changes allow us to be more environmentally friendly. We must all be accountable for our impact on our planet. The decorations policy contained herein will significantly cut down waste and is one of many steps we will take to protect Earth.

Effective January 1, 2021

No decorations are to be left at any grave site or on the grounds of the cemetery!

ONLY fresh flowers (no plastic wrap) are allowed.

Any decorations will be discarded immediately including but not limited to, balloons, pinwheels, signs, toys, food items, drinks, and other memorabilia.

We will continue with the Avenue of Flags for Veterans Day and Memorial Day.
Grave flags can be placed for these dates only.
