

Ivy Lawn

Memorial Park & Funeral Home FD2156

Add Urn to Grave 2026

Ivy Lawn allows "adding an urn" into an occupied grave. This is a complicated process that requires written authorization from all deed holders, all next-of-kin of each decedent buried in that grave, as well as the authorizing agent for the newly deceased person. Only the first generation of the deceased buried in the grave has the privilege to use the grave for additional burials. See property disclosure form for specific limitations.
